**Sweetheart of the Mountains**  
(Troubadour Ashod)

My love of a thousand graces, come with the  
winds  
With bunches of flowers, come with a  
mountain man  
I rode to your village on a black horse  
But saw your door was shut and was left  
feeling lost

*Sweetheart of the mountains*  
*Bring carnations from the mountains*  
*No, what carnations?*  
*Bring the fire of your love*

You've grown up amidst a thousand flowers  
Wet your hair with the dew from flower  
stems  
The scent of your hair comes from afar  
The breeze sends it my way and touches my  
heart  
*Sweetheart of the mountains...*

The water in this stream comes from the  
mountains  
It brings, my love, your scent and kiss  
Ashod (troubadour's name), if you can, with your song  
and rhyme  
Bewitch your love to come home through  
the fields  
*Sweetheart of the mountains...*
